SUMMARY

A dedicated Frontend Developer skilled in HTML, CSS, and JavaScript, with experience in creating responsive and user-friendly websites. As the Technical Head of a techfest, I successfully handled all technical aspects, including website design, development, and real-time troubleshooting. Proficient in using tools like Git, GitHub, and ReactJS, with a focus on improving website performance and cross-browser compatibility. Strong problem-solving skills with a passion for web development and cloud security.

EDUCATION

- **Bachelor of Engineering (Computer Technology)** *present*
  Kavikulguru Institute of Technology and Science, Ramtek CGPA:

- **Senior Secondary (XII), Science** *2019*
  S.M Patel Junior College, Gondia Percentage: 56.31

- **Secondary (X)** *2017*
  Gujrati National High School, Gondia Percentage: 65.00

PERSONAL PROJECTS

- **Personal Portfolio Website** *September-2024*
  Developed a dynamic portfolio website using HTML, CSS and JavaScript.

  – Designed and implemented a responsive layout using CSS media queries, ensuring compatibility across all devices and screen sizes.
  – Ensured cross-browser compatibility ,testing and optimizing the site for modern browsers such as Chrome, Firefox, and Safari.
  – Utilized Git and GitHub for version control, managing the development and deployment process.
